

Starring Parts of the Plant! Rubric

CHECKLIST			
My tableau included all four parts of the plant. We used our bodies to create clear body levels, body shapes and relationships.			
I accurately researched my plant part and my understanding of its function was clear through my writing and performance.			
I using complete sentences and organized my ideas clearly to create a monologue for my plant part. There was an opening sentence, key details and a closing sentence.			
I worked well with my group. I took turns listening and speaking when brainstorming and rehearsing together.
