

Reflection Questions - Dancing with Planets

- 1) What dance elements did you use to represent size, features, distance, and life? How do they represent these things for your planet?

- 2) What background image and music did you choose? Why?

- 3) What movement choices did you make and why- what were they representing?

- 4) Why did you choose that costume, prop, music, etc.?

- 5) How did you make your decisions, what changes occurred in the choreographic process?
