_____ Chloroplast

_____ Cell Wall

_____ Cytoplasm

_____ Nucleus

_____ Cell Membrane

“I can answer the following questions.”

1. What 2 parts would I not include in the making of an animal cell?
2. What type of cell did I make today?
3. What was my favorite part about this activity?
4. What is something I still need help with? BE HONEST! (Only the TEACHER will see this!)
5. Why did I use the materials I did to represent each of the cell's organelles?
