

Band Time with Animals and Plants

CHECKLIST			
I wrote lyrics that accurately described the basic needs of plants and animals. I used all of my science vocabulary words in the lyrics.			
I demonstrated how melody and/ or beat could be used as we sung our lyrics clearly. During the performance we kept the musicality of the song strong from start to finish.			
My song had two verses, one for animals and one for plants with a chorus that was repeated 2 times.			
I worked well with my group. I took turns listening and speaking when brainstorming and rehearsing together.
