

Music and Movement in the Sky

CHECKLIST			
I compared and contrasted the two music selections using music vocabulary.	I compared and contrasted the music with appropriate vocabulary.	I compared and contrasted the music without appropriate vocabulary.	I did not compare and contrast the music. I used minimal vocabulary.
I worked with my group to create a dance piece including 4 action words. (It included 4 movements, both locomotive and non-locomotive).	I included 4 clear movements in my dance.	I included some coordinated variety in movements.	My dance movements were not clearly selected or coordinated.
I worked well with my group during rehearsal and during our performance.	I was a good listener and I contributed to the group's work in planning, rehearsing and performing.	I contributed some to the group work in planning, rehearsing, and performing.	I did not participate in the planning or performing of our dance piece.
I can describe my dance and how it relates to daytime and/ or nighttime.	I used clear describing words to express how my dance relates to daytime/ nighttime.	I used some describing words to express my dance but clarification was needed.	The description of my dance and how it relates to daytime/ nighttime was unclear.
