Each year, ArtsNOW Foundational Seminars host teams of educators (K-12) to explore arts-integrated instructional strategies aligned to state and national standards. These strategies promote 21st-century skills, critical and creative thinking, student achievement, and academic growth.

Foundational Seminars are designed for school teams that include administrators, arts educators, and classroom teachers. Following an immersive two-and-a-half-days, educators leave equipped to bring creativity, innovation, and arts integration into the classroom across all content areas. Participants receive 20 professional learning contact hours.

In 2024, ArtsNOW hosted Foundational Seminars in Georgia and South Carolina for 284 educators, 49 schools, and 21 school districts. We hope that your team will join us this year!
