2025 Foundational Seminars

We are still buzzing from the energy, ideas, and impact of this year's Foundational Seminars! A record-breaking 349 educators from 55 schools and 23 districts joined us in Atlanta (May 28 to 30) and Charleston (June 4 to 6) for our most inspiring seminars to date.

Educators and leaders came together to explore arts-integrated strategies that align with state and national standards to reimagine what's possible in K-12 classrooms. Each team rotated through sessions focused on music, theatre, dance, visual arts, and STEAM, engaging in deep professional learning they can carry forward into the year ahead.

The numbers tell one part of the story. The joy, collaboration, and creativity sparked in every session told the rest, as you can see in our photo gallery below!

"This conference helped
ignite my spark!"

"The activities motivated me to
get out of my 'comfort' zone
and to accomplish new ideas in
teaching my students."

"ArtsNOW does an outstanding job delivering high-quality professional development! It is authentic and focused."
